

GIANNIS EFTHIMIOU

Curriculum Vitae

Born in Korinthos, Greece in 1990, I studied for three years at Marble Sculpture School in Tinos Island (PESKPT), where I got in touch with the art of sculpture and painting. These first steps were significant for my artistic development and during these years I received honorary distinctions.

In 2011 I was accepted in Athens School of Fine Arts and in 2017 I graduated with excellence (100%) for my thesis.
